IT Workshop Using Publisher and Outlook

Presented by Stuart Campbell

This workshop is for people who want to know more about the variety of functions Publisher and Outlook offer. It is designed for those who have a general working knowledge of these two programmes and are ready to learn more.

Stuart supports these excellent, easy to follow workshops with a step by step manual you can take away and refer to when you begin to put your newly learned skills to work.

When and where: Wed 8 April 09, Community Waikato 33 Victoria Street, Hamilton from 10am-3pm

Cost: Members of community and voluntary organisations \$35

Others \$80

Book now, places are limited

Refreshments and lunch provided. ☺ **See you there**

Parking is available \$5.00 for the day in the HCC pay and display carpark to the left of Community Waikato's premises (police station side). Please bring coins with you for this. The free Orbiter bus stops just around the corner
